Dear Sir

Re: Acknowledgment for the Donation of Sixty Hospital Beds to the Kingdom of Eswatini

On behalf of the Ministry, I would like to express my deepest appreciation regarding a request made for a donation for hospital beds to help improve hospital care services in the Kingdom of Eswatini.

Since the ongoing pandemic of COVID-19 with increasing numbers on confirm cases in the Kingdom. The Ministry cannot show more gratefulness for the kind gesture of GMISS, Ministry of Health, Taiwan for assembling sixty hospital beds from different facilities. This help couldn't have come at a better time as we are all aware the whole world has been affected by this pandemic.

Once again, the Ministry appreciates your office being available to assist especially when it comes to the health of our people.

Kindly receive assurance of my highest regards.

Yours sincerely
